# Myvi

IT'S A PASSION

LFTDDM MYV 05-03 MAY2005-A

[WWW.PERODUA.COM.MY](http://WWW.PERODUA.COM.MY)

"Nothing great has been accomplished without passion."

Myvi represents a statement of Perodua's passion, a new generation car driven by innovation. It redefines the meaning of space, one capable of transforming into a family-friendly multi-purpose car easily.

It's also a fun-to-drive car with good power. Its engine has been designed to be more powerful, reinforced with DOHC, DVVT and EFI. Superb enhancements that translate into pure power, economical fuel consumption and cleaner emissions. You'd be surprised by what Myvi's 1000cc or 1300cc models can deliver.

Rediscover passion. Test drive Myvi, today.

## PASSION FOR DESIGN

Myvi's stylish design expresses refined elegance with aerodynamic lines that exude bold confidence. Its aesthetic beauty is matched by its practicality, with a lower centre of gravity for more stability. Plush and spacious interior adds a touch of luxury to its sporty character.

- 1 Aerodynamic body-contoured headlamps
- 2 Sturdy body-coloured bumpers
- 3 Vertical rear combination lamps with advanced LED type brake lamps (1.3l variants only)
- 4 Illuminated meter panel
- 5 Interior center cluster with flushed surface
- 6 Side mirrors with signal lamps

## PASSION FOR PERFORMANCE

A new level of driving pleasure is defined with Myvi. Technological advancements in its K3-VE (1300 cc) and EJ-VE (1000 cc) engines deliver significant power for a higher performance. Myvi is also fuel-efficient and environment friendly, producing less noise and cleaner emissions.

### DOHC

- Heightens engine performance.

### DVVT

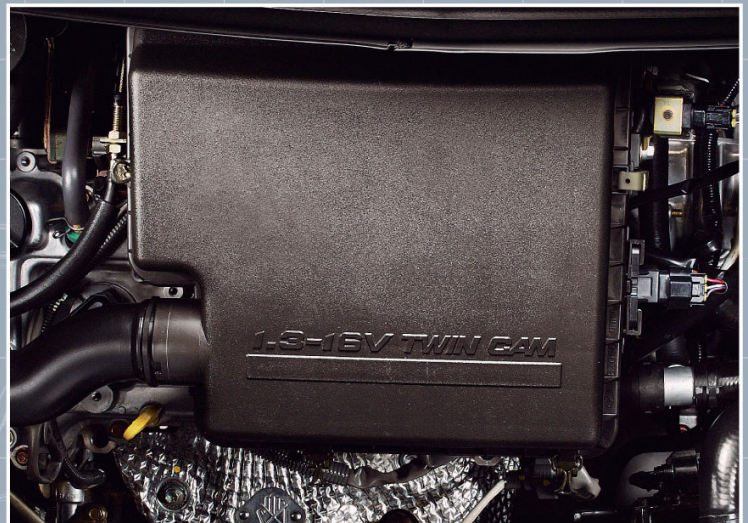

- Improves engine dynamism, resulting in increased fuel economy and cleaner gas emissions.

### EFI

- Improves emissions and contributes to economical petrol consumption.

### LED LIGHTS

- Intensely brighter, energy-efficient and longer lasting.

## PASSION FOR QUALITY

### QUALITY CONTROL

Myvi's passion for quality borders on obsession. All parts of the car undergo stringent quality control measures that meet all expectations.

### PIKKARI-KAN

A paint-job technology that ensures complete glossiness and smoothness. Done with sophisticated robotics in air-conditioned and pressurised conditions to minimise pollution and dust.

## PASSION FOR SPACE

1

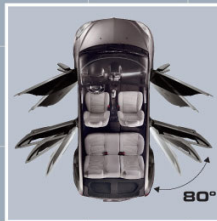

2

3

4

Myvi is designed with ample space and legroom for the comfort of 5 people, including a spacious luggage boot. It's also versatile with a unique interior concept. Seats can be adjusted for more room should there be a need to.

- 1 Spacious boot space
- 2 Extendable back seats
- 3 Foldable back seats
- 4 80° door opening

## PASSION FOR SAFETY

Myvi had undergone stringent collision tests and has achieved top safety level in its class. From seat belt lights to ventilated disc system for safe braking performances, and child-proof lock lever system to head impact protection devices. Safety will never be an issue with Myvi.

- 1 Dual SRS airbags (1.3l premium variants only)
- 2 ABS (1.3l premium variants only)
- 3 Front collision test
- 4 Body structure
- 5 Head impact protection
- 6 Alarm central locking system with Immobiliser
